"The South 40"
by JAMES A. SMITH
EXTENSION AGENT

We goofed! Several weeks ago we noted in this column that the Dark Tobacco Market would close December 19 for Christmas. The correct closing date is December 21.

Thank you, Riley Meggingson, for getting this straight.

There will be a new herbicide on the market this year for corn producers.

Its greatest value will be in fields where, for any reason, weeds have gotten the upper hand.

It should be applied when corn is at least 12 inches high and weeds are not more than 6 inches high.

The announcement says that it will control nutsedge and fall panicum.

Also wheat, oats and rye can be seeded following the corn without injury.

Forced bulbs can add a bit of beauty to the home throughout the winter.

Now's the time to get started. Place some drainage material in pots and partially fill with good garden soil. Place the bulbs in the pot about one inch apart. Cover with soil although it does no harm if the tips of the bulbs stick out above the top of the soil. Water thoroughly.

Select a sheltered or protected, well drained spot in the garden or near the house and dig a hole about two feet deep, large enough to accomodate the pots in which the bulbs have been planted. The hole should then be filled with peat moss, sawdust, leaves or other material to prevent bulbs from freezing. Mound leaves or other material at least a foot over soil level so that pots can be dug out easily during the winter. During late January and February, the pots may be removed from the hole a few at a time and brought into the house to grow and flower in a sunny window.

Mendel or Triumph tulips, Paperwhite narcissus, Hyacinths, crocus and scillas are easily forced.

The Lynchburg Beef Cattle Association Meeting will hold its annual meeting November 30th at the Red House Bull Test Center.

* * *

Putting on a new metal roof? Be sure that it's laid over two-inch thick purlins for maximum roofing nail efficiency.

One inch boards just won't hold in a strong wind.

* * *

Winterize the irrigation equipment now. Drain pumps. Stack pipe off ground with gaskets and seals removed. Remove sprinkle heads and store separatly.

ONE GOOD REASON TO JOIN OUR CHRISTMAS CLUB

The big day! And because you joined Fidelity's Christmas Club. Santa is all taken care of. You did it by putting as little as 50¢ to $10.00 a week into your Club. And the jolly interest it earned made the holidays even better . . . 5% on paid up clubs computed on a 50 week scheduled basis.

December 25, 1973, is one good reason to join Fidelity's Christmas Club now. Can you think of a better one?

SEVENTH DAY ADVENTIST
Rufus B. McDannel, Pastor
Sabbath School Lesson 7 –Nov. 12, 1972
12-18
Subjects: "The Nature of The Signs."
Scripture Text:"Therefore be ye also ready: for in such an hour as ye think not the Son of Man cometh." Matt. 24:44.
"In the record of Matt. 24:4-31 Jesus has answered the disciples question about signs by clearly stating events that would take place between that moment and the second advent, and the destruction of Jerusalem also. But He was not content merely to state the signs, He also taught the disciples how to interpret the signs. They must know how to apply in the actual situation. They mut have not only the general knowledge that there would be such and such signs, but also the specific knowledge of what the signs did or did not mean. He taught them how to relate to the signs by telling them the parables and illustrations recorded in Matthew 24 and 25 – the fig tree, Noah's day - twoat work, the thief at night, the two servants, the ten girls, the talents and the judgement scene. In the lessons for the next four weeks we will study the teaching of these parables and illustrations about the signs the second advent, which Jesus gave them. "This week primary attention will be given to Matt. 24:32,34. In this passage Jesus taught what the signs can and cannot do, and how believers should therefore react to the signs

Lesson Outline – Part 1. Purpose Matt. 32;33 "Now learn a parable of the fig tree; When his branch is yet tender and putteth forth leaves ye know that summer is nigh; so likewise ye, when ye see all these things, know that it is near, even at the doors." Jesus asked meaning to the word "near" in Matt. 24:34. Verily I say unto you. This generation shall not pass, till all these things be fulfilled. Part 2 –Certainity Matt. 24:35 "Heaven and earth shall pass away, but my words shall not pass away. People who are anxious for truth are calling 'Watchman, what of the night?' The morning cometh, and also the night. If we study we can know for a certainity that the second coming of Christ is near." Part. 3. Limitation: Unknown Day. Please read Matt. 36 – 39. "There will never again be a message for the people of God that will be based on "time". We are not to know the definite time for the outpouring of the Holy Spirit or for the coming of Christ, SDA Bible Commentary. Vol. 5,p. 1055, Part 4. Watching Required. Matt. 24:40-42. "Then shall two be in the field; the one shall be taken and the other left. Two women shall be grinding at the mill; the one shall be taken, and the other left. Watch therefore: for ye know not what hour your Lord doth come. Part. 5, Limitation Unexpected Hour Matt.24:43 "But know this, that if the good man of the house had known in what watch the theif would come he would have watched and would not have suffered his house to be broken up." Part 6, Readiness Required. Matt. 24:44. Therefore be ye also ready: for in such an hour as ye think not the Son of Men cometh. Let faith take hold of Christ, and you will be a new creature in Jesus, a light of the world." Selected Message. Bk. 1, p. 331. Thus Christ makes an end of the curse of sin. His coming.
